

# ACCESSORIES

## THERMOSTAT

Features	UoM	AAWTS10
Field of regulation	°C	0-60
Activation differential	K	4.0
Contact	-	Change-over
Contact capacity with resistive load	A	10
Max voltage	V	240 AC
Dimensions HxWxD	mm	64x38x51
Sensitive element	-	Bimetallic
Electrical connection	-	3-pole terminal board (2.5 mm <sup>2</sup> )
Operating temperature limit	°C	-20+80
IP rating EN60529	-	IP20
Clip installation for DIN rail	mm	35
Weight	g	50
Conformity	-	CE

### Accessories

Pack of 5 x device installation accessories for cabinets

- AAWFT10

## AAWTS10

### Thermostat

Thermostat with high current capacity change-over contact
